Honorable John Fogarty
Congress of the United States
Washington, D. C.

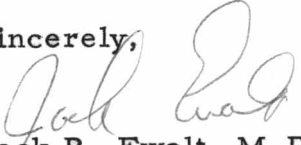

Dear Congressman Fogarty:

When I saw you in Miami at the meeting of the Mental Health Association you asked for a copy of Mr. Ribicoff's speech in which he took me to task for saying the mentally ill were not yet part of the new frontier.

I have asked the office of the American Psychiatric Association to see if they can find a copy to send you. I seem to have misplaced the one I had.

It was good to see you in Miami and I very much enjoyed not only the content of your speech but the way you made it.

Sincerely,

Jack R. Ewalt, M. D.
